As a part of the Company’s strategy for continuous supplier quality improvement, the Company maintains a Global Supplier Quality Manual.

By signing the Supplier Quality Management Agreement, the Supplier confirms that the Supplier is fully familiar and in compliance with the quality requirements as contained in Global Supplier Quality Manual and shall fulfil all its obligations resulting from these requirements.

Any exception or deviation to the requirements, terms, and conditions of the Supplier Quality Manual, requires the Company’s prior written approval, as documented in Appendix 1 Supplier Protocol.

Changes or additions to this Agreement are required to be communicated and acknowledged by both parties in written format.
